Connections

Web Settings · https://wiki.simfly.io/docs/connections/

This section is for linking external programs you use with SimFly. Here, you have the opportunity to enter the following details:

1. Your SimBrief Username
2. Your IVAO VID
3. Your VATSIM CID

It's important to pay close attention when entering this information.

Please note that there is no automatic verification of the validity and accuracy of the data entered, so the responsibility for their accuracy falls on the user.
